GENERAL TERMS & CONDITIONS WORKSHOP REGISTRATION

Registration for training programs must be made in writing, via www.espinea.org, or submitted via the QR code. Decisions on participation will be based on the order in which registration forms are received. We do not reserve places.

REGISTRATION CONFIRMATION

Registration will be confirmed by a separate email and/or a written invoice representing a mutually binding obligation. After receiving the invoice, payment must be submitted within 14 days.

CANCELLATION

If a cancellation occurs 2-4 weeks before the course, a 50% fee is charged. If cancellation occurs less than 1 week before the workshop, the full workshop registration fee will be charged. Please note that cancellations must be submitted in writing.

WORKSHOP FORMAT

All workshops contain online theoretical lectures and on-site intense practical training as well as presentations. Access planning and training of surgical techniques in addition with handling the instruments and endoscopic orientation are trained on advanced simulation models and on anatomical specimens, supported by preparative training on saw-bones and simulators.

The workstations are equipped with C-arms, endoscopy towers, and surgical instrumentation by joimax®. X-ray protection is provided. There are 2 to 5 workstations per course with a maximum of 4-5 participants per station.
